***“OPEN UP YOUR HEART”
Fundraiser***

In the coming weeks, we will be asking our members to “Open Up Your Hearts” and donate one (1) hour’s pay to provide presents to the children or our laid off members this upcoming Christmas.

In the past years, we have given generously to Brevard County charities benefitting underprivileged children. We believe it is our calling this year to help our laid off IAM members. Please give generously to the children of our brothers and sisters. Your Stewards or the Committee Members below will be accepting your donations. You may also donate to the “IAM Toy Drive” at any Kennedy Space Center Credit Union.
